How To Use This Booklet

This book presents basic information about a wide range of benefit options available to you as an employee of the City of Atlanta. It provides a summary of key plan provisions so you can make an informed decision. More information about the plans can be found on the benefits website, **benefits.atlantaga.gov**.

As you read this benefits booklet and explore the website, you will find guidelines designed to help you analyze your benefits. If you cannot find the answers in these resources, call your carrier and request additional information.

You should try to attend an Open Enrollment meeting (see the schedule posted in your facility and on the website, benefits.atlantaga.gov). Even if you already have coverage, you may desire a better understanding of that coverage. This booklet helps you compare the plan options. It also explains how to adjust your coverage to reflect major life changes such as a new baby, marriage, divorce, leaving the City, retirement, and/or the death of a loved one.

Getting the Most From Your Benefits

This year, the City is offering one Health Maintenance Organization (HMO), one Point of Service (POS) plan, and three Medicare Managed Care plans, as well as a Medicare Part B plan for Medicare-eligible participants. Because of constant changes and the rising cost of health care, employees need more information regarding health and life insurance benefits in order to deal with the variety of choices you are asked to make. This booklet provides the information necessary to answer your benefits questions by offering a clear picture of all benefits provided by the City of Atlanta for you—the retiree. Once you understand your coverage, you will gain the confidence to take control of your benefits.

Health Terms

Various health care terms and options are defined and explained throughout this guide, such as “deductibles,” “coinsurance,” “reasonable and customary,” and more. You will find other definitions on the City’s enrollment website, benefits.atlantaga.gov.

Select Carefully

Please review your booklet thoroughly and read the directions for completing your 2015 – 2016 application before making your final selection. Remember, only you are capable of making the decision that best suits your needs.

For details about your benefits, go to benefits.atlantaga.gov.

Note To Medicare Participants

Special Note to Retirees

If you and/or your spouse are new enrollees to Medicare Parts A and B, you must attach a copy of your and/or your spouse's Medicare card to the Open Enrollment application and enroll in either Kaiser Senior Advantage, UnitedHealthcare Group Medicare Advantage PPO, or Aetna Group Medicare Advantage.

If you live in the State of Georgia, the following selections are available for the plan year September 1, 2015 to August 31, 2016:

Kaiser Permanente will continue to offer SENIOR ADVANTAGE to retirees who have both parts A and B of Medicare and live within their Senior Advantage Service Area, which is offered in 20 counties in the metro Atlanta area.

If you are a current Kaiser Permanente Senior Advantage member, Kaiser Permanente will automatically serve as your Medicare Part D provider. If you are a new member who selects Senior Advantage as your retiree health care plan option for 2015 - 2016, your application will include Part D enrollment information. For additional information regarding this benefit, please call Kaiser Permanente Customer Service at 404-233-3700.

UnitedHealthcare Group Medicare Advantage PPO is offered to retirees and/or spouses who have both parts A and B of Medicare. The national network will include all providers accepting Medicare and willing to accept UnitedHealthcare Group Medicare Advantage PPO reimbursements and rules. To participate in the Medicare Advantage Plan, you will have to complete a separate application, which will be mailed to your home by the Employee Benefits Office. In the future, if you want to change from this Medicare Advantage Plan to another Medicare Advantage Plan, you must notify the Employee Benefits office in writing.

If you have dependents (spouse or children) who are non-Medicare eligible you must sign up for UnitedHealthcare Group Medicare Advantage PPO, your dependents will be enrolled in the BCBS POS plan.

New for the 2015 - 2016 benefit plan year, Medicare-eligible retirees will have two new plan options to choose from: the Aetna Medicare Plan PPO and Aetna Medicare Part B Only Plan.

To participate in the Medicare Advantage Plan, you will have to complete a separate application, which will be mailed to your home by the Employee Benefits Office. In the future, if you want to change from this Medicare Advantage Plan to another Medicare Advantage Plan, you must notify the Employee Benefits office in writing.

Aetna Group Medicare Advantage Part A and Part B only plans are available to Medicare-eligible spouses or dependents. Retirees with non-Medicare-eligible spouse or dependents must enroll in UnitedHealthcare Group Medicare Advantage.

Please Note:

If you are Medicare-eligible with a post-1986 hire date, you must enroll in Parts A and B of Medicare and enroll in a Medicare Advantage Plan. Since the City did not pay Medicare taxes for employees hired prior to April 1, 1986, and those retirees may not have Medicare eligibility through their employment with the City, may not have obtained eligibility through another employer, and did not enroll in Medicare Part B when they turned 65, the City will pay the buy-in penalty for retirees and their spouses age 65 or older to enroll in Medicare Part B.

If you sign up for any Medicare Advantage Plan (other than Senior Advantage offered by Kaiser, UnitedHealthcare Group Medicare Advantage PPO, or Aetna Group Medicare Advantage Plan) that may be offered to you directly by various vendors, including just Medicare Part D for prescription drugs, YOUR COVERAGE THROUGH THE CITY OF ATLANTA WILL BE TERMINATED. If you have any questions about this, please call the Department of Human Resources (DHR) Employee Benefits at 404-330-6036 before signing up for another medical plan of any type.

Open Enrollment Information

This year's Open Enrollment period for the City of Atlanta will be Tuesday, July 21 through Tuesday, August 4, 2015. Last year's Medical Plan options remain, with two added options — a third Medicare Advantage plan and a Medicare Part B plan, both from Aetna. The Vision and Life plans offered in the new plan year are the same as the 2015 plan year.

Review the plan offerings, and select which programs you and your dependents would like to enroll in. The options you select will be effective September 1, 2015. The changes you make during the Open Enrollment period will remain in effect until August 31, 2015, unless you have a qualifying life event. If you do not wish to make changes for the new benefit plan year, you are not required to return an application. All Open Enrollment applications with benefit changes are due to the DHR – Employee Benefits office no later than August 4, 2015. If you are completing the application online, Open Enrollment will close at 11:59 p.m. ET on August 4, 2015.

Online Self-Service Access

Online self-service Open Enrollment access is available at the City's website, www.atlantaga.gov. Online access and self-service enrollment assistance is available throughout the OE period, at City Hall Tower, DHR, Suite 2120. The Office of Employee Benefits staff is available weekdays from 8:30 a.m. to 5:30 p.m.

Attend an Open Enrollment Period Information Forum

Would you like to know more about your 2015 – 2016 benefits? The Employee Benefits office will be on location to answer your questions. Speak with the benefit program providers face-to-face at an Open Enrollment Information Forum near you.

- A spouse (a husband or wife who is joined in marriage to a retiree by a ceremony recognized by the laws of the State of Georgia)
- A domestic partner (registered with the City of Atlanta)
- A dependent child through 26 years of age (coverage ends at the end of the month the child reaches age 26)

- A child under age 26 receiving court-ordered support

- A child, after attaining age 26, who is receiving a pension check as a surviving beneficiary and is covered by the City of Atlanta Group Plan must provide full-time student documentation. When eligibility for pension ends due to age or change in school enrollment status, contact the DHR – Employee Benefits at 404-330-6036 to continue coverage.
- As a surviving spouse, if you terminate coverage you will not be able to re-enroll in the City of Atlanta Benefits Plan.
- Documentation is needed if the retiree is adding a dependent or making changes in a dependent's status.
- If both you and your spouse are insured under a City of Atlanta health/dental plan as an employee or retiree, your children may be insured as dependents of either you or your spouse, for health/dental coverage.

Please remember to submit supporting documentation when you add dependents. If the Employee Benefits office does not receive your documentation, your dependents will not be added.

For Termination of Domestic Partner	None at Open Enrollment; City of Atlanta Notice of Termination within 31 days of termination during the contract year.

Social Security number and date of birth must be provided for all dependents. Failure to submit the dependent's Social Security number will result in termination/denial of coverage (exceptions: newborns age six months or less).

Documentation also applies to life insurance coverage.

No documentation is required at Open Enrollment to delete a dependent.

All documentation should contain the employee's name and Social Security number.

Changes In Coverage

Change in Family Status

You may change your health and/or dental insurance coverage during the Open Enrollment period. You can also change your coverage during the year but only if the application to change coverage is submitted within 31 days of your family status change because of:

- marriage;
- divorce*;
- birth, legal adoption, placement for adoption, or custody change of an eligible child;
- death of a spouse or eligible child, or a dependent's leaving the household as a result of a custody agreement; or
- changes in the spouse's employment that affects his/her eligibility for benefits under another employer's group benefits plan; or
- Part A or Part B of Medicare becomes effective.

**Anyone removed from the policy is entitled to COBRA (see benefits.atlantaga.gov for more information).*

Coverage will be effective as of the date of the change in family status. An adjustment of the premium for the level of coverage change will be deducted from your paycheck. Ask your departmental payroll clerk for a Health Insurance Change Application. Both you and your spouse (if applicable) must sign the form. Return the form to your departmental payroll clerk.

Option Changes

Option changes are permitted only during the Open Enrollment period. Changes made during the Open Enrollment period become effective on September 1, 2015.

If you move out of the service area covered by the HMO in which you are enrolled, you must request a change to another plan within 31 days of your move or at the next Open Enrollment.

If a plan listed in this brochure ceases operation, during the plan year, employees will have a choice to move to another plan.

Surviving Beneficiaries

- A Surviving Beneficiary is eligible for coverage if they are eligible for pension benefits and were covered as dependents at the time of the employee's or retiree's death. A Surviving Beneficiary who terminates his/her coverage will not be eligible to return to the City Benefit Plan at any time in the future.
- A Surviving Beneficiary cannot add new dependents.
- A Surviving Beneficiary child must continue to submit full-time student statements to be eligible for coverage. When the child is no longer eligible for a pension check, he/she will be eligible for continuation of coverage under COBRA. Contact the DHR – Employee Benefits at 404-330-6036.

Continuation of Coverage

Information about continuing health care coverage under COBRA is in the back of the booklet.

Remember that converted coverage may not be the same as group coverage, and will be available to you at the individual rate, not at the group rate. For additional information, call the respective insurance company/HMO.

The HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA), better known as the KASSEBAUM-KENNEDY LEGISLATION states:

If you cease to be an eligible dependent, or your COBRA eligibility terminates, A CERTIFICATE OF GROUP HEALTH PLAN COVERAGE will be mailed, by your Insurance Carrier/HMO to the last address on their file.

All retirees are required to confirm benefit selections for the new plan year, September 1, 2015 to August 31, 2016. Failure to select a dental carrier will result in no dental coverage.

Facts About Your Insurance

No Insurance

If you do not want health and/or dental insurance during September 1, 2015 to August 31, 2016, you must select NO COVERAGE using Self-Service or submit coverage changes on the enclosed Open Enrollment Application.

Coverage for Mental or Physically Disabled Dependent

To provide coverage for a dependent who is incapable of self-support because of a mental or physical incapacity, an employee must provide a completed Physician Verification of permanent disability. This form is available in the DHR - Employee Benefits.

Change of Address

You must submit a change of address to your Pension Plan Administrator or to the Department of Human Resources to correct the City of Atlanta records.

Pension Deductions

As a retiree, your share of health/dental insurance will be deducted from your pension check monthly. However, in the case of late Open Enrollments, deductions may be delayed. If this occurs, back premiums and/or refunds (if applicable) will be included in your pension check as soon as possible.

ID Cards

After your Open Enrollment Application is processed and an eligibility file is sent to each insurance carrier, your ID card and member booklet will be mailed to your home address by the selected insurance company. The ID card should be placed in your wallet for easy access at all times. Be sure to read the member booklet carefully, and keep it in a safe place for easy reference. The member booklet will provide detailed information about how to use your insurance benefits. You will not receive a new ID card unless you make a change in your coverage. Reimbursable claims should be filed only with your insurance carrier, not the City of Atlanta.

NOTE: All members will receive separate cards for dental and vision coverage. If you need medical care prior to receiving your new ID card, use a physician and/or hospital on your new Carrier list of providers.

Please provide a copy of your and/or your spouse's Medicare Part A and Part B.

PLEASE MAKE A COPY OF YOUR OPEN ENROLLMENT APPLICATION AND DOCUMENTATION THAT YOU SUBMITTED FOR YOUR RECORDS. ALWAYS PRINT YOUR NAME AND SOCIAL SECURITY NUMBER ON ALL DOCUMENTATION. MAKE A COPY AND ATTACH IT TO THE ENROLLMENT FORM.

Insurance premiums for the 2015 - 2016 plan year will be included in your enrollment package, or you may review them online at benefits.atlantaga.gov.

Are there any major changes this year to be concerned about?

What are considered Qualifying Life Events?

Qualifying Life Events include newborn children, marriage, divorce, domestic partners, dependent loss of coverage, and leave-of-absence without pay.

How does the City's Medicare Part B buy-in work?

The City will pay the buy-in penalty for those employees and their spouses age 65 and older. Retirees and their spouses will be responsible for paying the monthly Part B premium.

Wellness At Work

The Department of Human Resources manages a comprehensive health and wellness program for the City's active and retired employees and their families. For more information about the activities listed below, contact the Employee Benefits office at 404-330-6036.

Employee Fitness Center

Free, state-of-the-art fitness centers are located at various City facilities. These facilities have modern cardio-vascular and weight equipment machines and aerobic equipment. Some of the facilities also have locker rooms and showers available.

Disease Management

Contracted insurance vendors manage chronic diseases such as diabetes, heart disease, coronary artery disease (including circulatory restrictions and strokes), musculoskeletal disorders (including lower back pain), and digestive disorders (the top five chronic diseases prevalent in our population). The department is working to reach not only active employees but also partnering with other agencies to reach out to retired employees. At the same time, DHR is educating employees to help them be more aware of these illnesses and the health disparities leading to earlier and more frequent prevalence of these diseases.

Health and Wellness Programs

The City will offer these programs during the 2015-2016 benefit plan year.

- Weight Management Program
- Line Dancing Classes
- City-wide Stress Reduction Program
- Employee Daily Step Challenge Program

Terms You Should Know

Coinsurance: The fixed percentage of covered charges you must pay after any deductible has been subtracted. For example, if a plan pays 80 percent of covered charges (after applying any deductible), you would be responsible for the deductible and the 20 percent balance.

Copayment: A fixed dollar amount you must pay for a service or benefit provided by a plan..

Deductible: The amount of covered charges you must pay before the plan pays benefits, for example, calendar-year deductible and inpatient hospital deductible. Generally, no more than two or three family members must meet the

calendar-year deductible. However, some plans have a family calendar-year deductible, which can be met by any or all of those covered.

Exclusions: Charges, services, or supplies that are not covered. A plan does not provide or pay for excluded items, nor do charges for them apply toward deductibles and catastrophic limits.

Reasonable and Customary: A maximum payment allowed for a given medical service based on a statistical formula calculated by an insurance company to determine the amount it will pay on a given medical service.

IMPORTANT NOTICE FROM THE CITY OF ATLANTA ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Atlanta and new prescription drug coverage first available January 1, 2006 for people with Medicare. It also tells you where to find more information to help you make decisions about your prescription drug coverage.

1. Starting January 1, 2006, new Medicare prescription drug coverages were made available to everyone with Medicare.
2. The City of Atlanta has determined that the prescription drug coverage offered by UnitedHealthcare and Kaiser are, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay for the period September 1, 2015 – August 31, 2016.
3. Read this notice carefully—it explains the options you have under Medicare prescription drug coverage, and can help you decide whether or not you want to enroll. Anyone with Medicare can enroll in a Medicare prescription drug plan from November 15 through December 31, each year with no penalty. However, because you have existing prescription drug coverage that, on average, is as good as Medicare coverage, you can choose to join a Medicare prescription drug plan later.

IF YOU ENROLL IN ANY ADDITIONAL MEDICARE PRESCRIPTION DRUG PLAN, YOUR COVERAGE WITH THE CITY OF ATLANTA WILL BE TERMINATED. FOR FURTHER INFORMATION, CONTACT 404-330-6036.

Because your existing coverage is on average at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay an extra penalty if you later decide to enroll in Medicare coverage.

For more information about this notice or your current prescription drug coverage:

Contact the Employee Benefits office for more information at 404-330-6036.

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information about this extra help is available from the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this notice. If you enroll in one of the new plans approved by Medicare which offer prescription drug coverage after May 15, 2006, you may need to give a copy of this notice when you join to show that you are not required to pay a higher premium amount.

PLEASE NOTE: If you sign up for any Medicare Advantage Plan (other than Senior Advantage offered by Kaiser, UnitedHealthcare Group Medicare Advantage PPO, or Aetna Group Medicare Advantage) that may be offered to you directly by various vendors, **YOUR COVERAGE THROUGH THE CITY OF ATLANTA WILL BE TERMINATED.** If you have any questions about this, please call the DHR – Employee Benefits at 404-330-6036 before signing up for another plan.
